ABOUT ME

I am a seasoned professional with a robust background in data science and software engineering. Over the past years, I have accrued significant experience, including two years in data science roles in Zimbabwe, one year in software engineering at IEUK in the UK, and an additional two years serving as a customer representative for HP in Greece. I am deeply committed to delivering innovative solutions and driving tangible results. My expertise spans AI, machine learning, and software development, enabling me to thrive in dynamic environments and tackle complex challenges with precision and efficacy. Integrity and transparency form the cornerstone of my professional ethos, guiding my interactions and ensuring fair and ethical practices at every turn. With a global perspective and a keen awareness of industry trends, I am poised to make a meaningful impact in the ever-evolving tech landscape.

LANGUAGE SKILLS

Mother tongue(s): **ENGLISH**

WORK EXPERIENCE

12/03/2022 – 14/01/2023 Nottingham, United Kingdom

SOFTWARE ENGINEERING INTERN BRIGHT NETWORK IEUK, UK

SKILLS: SQL, NoSQL, React Frameworks, HTML, CSS, JavaScript, Node.js Django, Git

- **Collaborative Project Contributions:** I worked closely with a talented team of software engineers to develop and enhance web applications, contributing to the design, coding, and testing phases of various projects.
- **Back-End Development:** I assisted in the development and maintenance of back-end systems, including database management and server-side scripting, to optimize system performance and data integrity

27/01/2020 – 01/01/2022 Athens, Greece

CUSTOMER SERVICE REPRESENTATIVE WEB HELP

As a customer service representative for B2B at Web Help, I gained the following :

- **What I Did:** Leveraged expertise in SQL, NoSQL, React Frameworks, and backend development to analyze large datasets, develop machine learning models, and derive actionable insights for business decision-making.
- **What I Achieved:** Contributed to the development and implementation of data-driven solutions, optimized system performance through efficient database management and backend scripting, and collaborated with cross-functional teams to deliver innovative products and services that met customer needs and business objectives.

● EDUCATION AND TRAINING

10/10/2019 London, United Kingdom

BSC COMPUTER SCIENCE University of London

Address Senate House, Malet St, London WC1E 7HU, WC1E 7HU, London, United Kingdom |

Website <https://www.london.ac.uk>

11/10/2018 – 10/04/2019 Athens, Greece

GREEK LANGUAGE CERTIFICATE University of Athens

Address Zografou Attica, Zografou Attica, 15772, Athens, Greece | **Website** <https://en.uoa.gr>

09/01/2012 – 05/09/2017 Harare, Zimbabwe

ADVANCED LEVEL CERTIFICATE(HIGH SCHOOL) Zimbabwe Schools Examination Council (ZIMSEC)

specialized in STEM subjects.

1. Advanced level mathematics
2. Advanced Level Physics
3. Accounting
4. Chemistry

Address Old Mutare Mission , 770 Mutare, Harare, Zimbabwe |

Field of study Natural sciences, mathematics and statistics | **Final grade** First class

● ADDITIONAL INFORMATION

RECOMMENDATIONS

fia-Nefeli Kytrou Teaching Staff, Modern Greek Language Teaching Center, UOA

I know Patricia Manhenda as her tutor at the Modern Greek Language Teaching Center. With a scholarship, Ms. Manhenda attended the Greek language lessons (levels A1-B2) from November 2018 until May 2019. Ms. Manhenda is a very outgoing person and did show very good relations with her classmates. She is very positive about new challenges, very energetic, and very friendly. She also demonstrated a great tendency to help the other students understand and be more involved. Therefore, for the reasons stated above, I would recommend Ms. Manhenda.
